**AP/Dual Credit  
and Academic Specialty Showcase  
Thursday, January 17th, 7-9pm  
Leonard Auditorium/CCA Cafeteria**

- ◆ The program is designed to provide you with information about the opportunities and options available in regards to course offerings in Advanced Placement, Dual Credit, and Academic Specialty Program areas (Project Lead The Way: Biomedical Science, Engineering; Academy of Finance; Law & Government Academy; J. Everett Light Career Center). You will get the opportunity to hear from and speak with students, teachers, and representatives from each of these classes and programs. This program is open to all current 8<sup>th</sup> through 11<sup>th</sup> Grade students and their parents. Our goal is to equip you to make the best decisions as you plan for the future.
- ◆ The program will be divided into two parts:
  - \* The first hour will consist of a short presentation and a panel discussion, where students and teachers involved in these types of classes and programs will share their experiences and insights. In addition, representatives from the College Board, IU-Bloomington, Ball State, Butler, and Ivy Tech Community College will share information about their programs.
  - \* The second hour of the program will consist of a Course Fair, where teachers of these classes and representatives of these programs will have a table display and will be available to share more information and answer questions.
